Re: GSI Highway Products, Inc.

To whom it may concern,

Austin Bridge & Road, LP (Austin) has had a longstanding business relationship with GSI Highway Products, Inc. (GSI). During that time frame GSI has supplied various structural steel products for multiple Austin projects. Most recently GSI supplied T401 and C221 steel bridge rail on our TxDOT IH 20/IH 45 interchange and City of Grand Prairie MacArthur Blvd. projects respectively.

Sincerely,

Michael Landen  
Vice President of Estimating  
Austin Bridge & Road, Inc. – General Partner
